RULES OF THE TRAIL:

One way to ensure continued access to local trails is if all riders learn and follow basic guidelines for responsible riding:

1. Observe trail closure rules during wet weather when the trails are most vulnerable to damage. Wait 24hrs to ride for every inch of rainfall – the 24/1 rule.
2. Share the trail with other users such as hikers, runners and walkers. Slow down or stop when approaching other trail users and/or communicate your presence with a friendly ring of a bell or verbal communication.
